Section I. Expansion Philosophy

In accordance with the North-American Interfraternity Conference's Position on Open Expansion, the IFC at the University of California, Irvine believes the best interests of higher education and of the fraternity movement are served through the establishment of new chapters that provide a fraternal experience for an increasing number of college men. Expansion gives men more choices; it brings new influence and direction to a campus fraternal community; it provides new leadership and renewed motivation. To that end, the Member Fraternities of the IFC:

- A. Will not prohibit an inter/national organization from selecting undergraduates for the purpose of establishing a chapter on the campus; and
- B. Will not deter expansion by withholding membership in the IFC for any inter/national member organization.
