The Order of Omega was founded at the University of Miami in the fall of 1959 by a group of outstanding Greeks who felt that individuals in the Greek community should be recognized for their service to the Greek System and the University. Nationally, the Order of Omega represents the top 3% of the Greek community at each separate institution. There are now over one hundred and thirty chapters in the United States. It is a very prestigious honor and distinction to be a member of Order of Omega.

The purpose of The Order of Omega is threefold:

**First**, to recognize fraternity men and women who have attained a high standard of leadership in inter-Greek activities, to encourage them to continue along this line, and to inspire others to strive for similar conspicuous attainment;

**Second**, to bring together the most representative fraternity and sorority members to create an organization which will help to mold the sentiment of the institution on questions of local and intercollegiate affairs; and

**Third**, to bring together members of the faculty, alumni, and student members of the institution's fraternities and sororities on a basis of mutual interest, understanding, and helpfulness.

The University of California, Irvine Theta Beta Chapter of Order of Omega selects its members on the basis of academic accomplishments and leadership involvement in the Greek and University life. **In order to qualify for membership, you must:**

- A. **Fall 2018** GPA rank academically above the All Greek GPA (3.043) from Fall 2018.
- B. Be at least Junior (undergraduate) academic standing.
