Fraternity Life

VISITING  
CONSULTANT  
GUIDE

updated October 2023

Sorority & Fraternity Life (SFL), since 1973, has been a noteworthy presence on campus that has enabled student-leaders to develop professionally and create life-long memberships that uphold the values and oaths of their fraternal organizations. With over 30 different sorority and fraternity groups amongst three active councils, the experiences of our 1,600 undergraduates is meant to foster our commitment as an office to service and lifetime membership.

Our office understands how meaningful membership in sorority and fraternity can be and the different ways in which it can enhance the overall college student journey. In the same turn, we know the role different stakeholders like advisors and visiting chapter consultants like yourself can play in students finding a well-rounded experience. Whether it is the promotion of elements like academic achievement, service to the surrounding Irvine community or development as a leader and professional, SFL.

The purpose of this guide is to further develop that bridge to you as a visiting consultant and provide some helpful information to better understand the community at Irvine and experience of our students. Our hope during your visit to Irvine is that it be fulfilling and that you have the necessary tools to better understand how to achieve success with our students. This document is also enabled with hyperlinks should that be helpful.

Zot Zot Zot!
